**MEMORANDUM OF UNDERSTANDING
BETWEEN THE CITY OF CYPRESS
AND THE
CYPRESS POLICE OFFICERS' ASSOCIATION**

ARTICLE I - RECOGNITION

Section 1. Pursuant to the provisions of the Employer-Employee Relations Resolution No. 970, as amended, the City of Cypress (hereinafter called the "City" and/or "Employer" interchangeably) has recognized, for the purpose of this Memorandum of Understanding, the Cypress Police Officers Association as the majority representative of the employees in the bargaining unit, which includes Police Department employees in the classifications of Police Sergeant and Police Officer.

Section 2. The City recognizes the Association as the representative of the employees in the classifications set forth in Section 1 above for the purpose of meeting its obligations under this Memorandum of Understanding, the Meyers-Milias-Brown Act, Government Code Section 3500 et seq., when City Rules, Regulations, or laws affecting wages, hours, and/or other terms and conditions of employment are amended or changed.

ARTICLE II - NON-DISCRIMINATION

Section 1. The City and the Association agree that they shall not discriminate against any employee because of any legally protected classification, including but not limited to: race, color, sex, age, disability, national origin, political or religious opinions or affiliations. The City and the Association shall reopen any provision of this Memorandum of Understanding for the purpose of complying with any final order of the federal or state agency or court of competent jurisdiction requiring a modification or change in any provision or provisions of this Memorandum of Understanding in compliance with state or federal anti-discrimination laws.

Section 2. Whenever the masculine gender is used in this Memorandum of Understanding, it shall be understood to include the feminine gender.

Section 3. Americans with Disabilities Act (ADA) and California Fair Employment and Housing Act (FEHA).

A. The Americans with Disabilities Act (ADA) and California Fair Employment and Housing Act (FEHA) requires reasonable accommodations for individuals protected under the Acts, and because these reasonable accommodations must be determined on an individual, case-by-case basis, exceptions to the provisions of this Agreement may be required for the City to avoid discrimination in the hiring, promotion, granting of permanency, transfer, layoff, reassignment, termination, rehire, rates of pay, job and duty classification, seniority, leaves, fringe benefits, training opportunities, hours of work or other terms and privileges of employment.

B. Any accommodation provided to an individual protected by the ADA/FEHA shall not establish a past practice, nor shall it be cited or be used as evidence of a past practice in the grievance, discipline, or other legal procedure.

ARTICLE III - COMPENSATION PLAN

Section 1. Basic Compensation Plan

A. All employees covered by this Memorandum of Understanding shall be included under the Basic Compensation Plan. Every classification under this Plan shall be assigned a salary range adopted by the City Council. The salary schedule shall consist of seven (7) steps within the range for the classification of Police Officer and six (6) steps within the range for the classification of Police Sergeant.

B. The first step (Step 0 for Police Officer and Step A for Police Sergeant) is a minimum rate and is normally the hiring rate. An employee may be assigned, upon appointment, to other than the normal entering salary step upon the recommendation of the Chief of Police and the approval of the City Manager when it is decided that such action is in the best interest of the City. Step B is considered the starting step for a newly hired Lateral Officer.

C. The second step, (Step A for Police Officer, Step C for Lateral Officer) (Step B for Police Sergeant), is a merit adjustment which may be given at the end of six (6) months of employment subject to the recommendation of the Chief of Police and approval of the City Manager.

D. The third, fourth, fifth, sixth, and seventh step (for Police Officer only) are merit adjustments to encourage an employee to improve his work and to recognize seniority and increased skill on the job. Employees are normally eligible for these adjustments at any time after the completion of one (1) year of service at the preceding step. Each adjustment shall be made only if recommended by the Chief of Police and approved by the Personnel Officer.

Section 2. Evaluation dates shall be established as follows:

A. Employees appointed, promoted, or reinstated on or between the first and the fifteenth day of the month, for the purpose of eligibility for consideration of future compensation increases, have the first day of that same month as their evaluation date.

B. Employees appointed, promoted, or reinstated on or between the sixteenth and the last day of the month, for the purpose of eligibility for consideration of future compensation increases, have the first day of that month immediately following as their evaluation date.

C. Evaluation dates shall change upon promotion or reclassification. Evaluation dates shall not change following demotions or transfers.

Section 3. Advancement Within Salary Ranges

A. In order to properly compensate an employee, advancement in salary shall be based on merit.

B. Advancement in salary shall not be automatic, but shall depend upon the results of an employee's performance evaluation completed by his immediate supervisor.

C. The Chief of Police and/or the employee's immediate supervisor shall be responsible to evaluate employees fairly in an unbiased manner for the determination of job performance. Advancement shall be made only upon recommendation of the Chief of Police with approval of the Personnel Officer.

D. An employee's job performance must be evaluated prior to the completion of six (6) months of service from the date of appointment. Thereafter, an employee's job performance must be evaluated at least once every twelve (12) months from the effective date of his last merit step increase, special performance advancement or promotion. Nothing contained herein shall restrict the Chief of Police from denying the increase after evaluation, nor shall it prevent him/her from recommending to the Personnel Officer a special performance advancement in salary at any time when unusual or outstanding achievement has been demonstrated.

E. It shall be the responsibility of each supervisor to establish realistic achievement levels for each step increase within a salary range. Achievement levels may be formal or informal and shall be reviewed by the Chief of Police for the purpose of maintaining uniformity of standards throughout the department.

Section 4. Salary Increases Following Promotion

When an employee is promoted to a position with a higher salary range, such employee shall be entitled to the lowest step in the higher salary range that would represent a salary increase of at least 5%, but not to exceed the "B" step of the higher salary range, over the base salary received immediately prior to promotion.

Section 5. Salary Decreases Following Demotion

In the cases of a demotion of any employee in the department to a classification with a lower maximum salary, such employee shall be assigned to the appropriate salary step in the new classification as recommended by the Chief of Police and approved by the City Manager. The employee shall retain his previous evaluation date.

Section 6. Adjustment of Salary Ranges

When a salary range for a given classification is revised upward or downward, the incumbents of the classification affected shall have their existing salary adjusted to the same relative step in the new salary range, and their evaluation date shall not be changed.

Section 7. Salary and Benefits on Suspension

During suspension from City service for disciplinary cause, an employee shall forfeit all rights, privileges and salary, except he shall not forfeit his medical health plan, dental insurance plan, vision plan, retirement plan, disability insurance, or life insurance plan, unless specific exclusions prevent such coverage continuation. Should such suspension be later modified or revoked, the employee shall be entitled to receive payment for loss of income during the period of suspension. Any disruption in coverage continuation shall be reinstated upon return to active duty in accordance with policy eligibility requirements.

Section 8. Salary Adjustments During Term of Memorandum of Understanding

A. Attached hereto and incorporated herein is Exhibit "A". Said Exhibit affects base salary adjustments for represented classifications.

B. Salary increases for all represented classes will be implemented at the beginning of the pay period as follows:

Effective July 8, 2022, a 5% range adjustment.

Effective July 7, 2023, a 5% range adjustment.

Effective July 5, 2024, a 4% range adjustment.

Effective July 4, 2025, based on the CPI-U for Los Angeles-Long Beach-Anaheim for the 12-month period ending May 2025, a minimum 2% to a maximum 3% range adjustment.

Section 9. One-Time Stipend

Those employed with the City as of July 1, 2022, and remain employed at the time the contract is ratified, will receive a one-time non-PERSable gross stipend of \$6,000. Payment will be included in a regular payroll within 30 days of ratification of this agreement.

Section 10. Payroll Schedule and Direct Deposit

The City's payroll is based on a bi-weekly pay schedule with the pay day occurring every other Friday following the end of a pay period. All employees are required to participate in the City's direct deposit payroll program.

ARTICLE IV - HOURS OF WORK

Section 1. Modified Work Schedules

A. The Chief of Police, or his/her designee, may designate up to three (3) patrol positions (one [1] of which may be a Sergeant), excluding Field Training Officers and their trainees, to be assigned to a "4/10 Work Schedule". In the event the Chief of Police, or his/her designee, or the Association desire to assign more than three (3) patrol positions to the "4/10 Work Schedule", the parties hereto agree to meet and confer in good faith regarding such additional patrol positions; provided, however, that the Chief of Police, or his/her designee, retains the right to make any final scheduling decisions related to additions to or deletions of patrol officers to the "4/10 Work Schedule".

1. Exhibit "B" - "4/10 Work Schedule" - Employee works four (4) ten (10) hour shifts in a seven (7) day work period.

Employees assigned to this work schedule include Detectives and Personnel and Training.

2. Exhibit "C" - "3/12.5 Work Schedule" - Employee works three (3) twelve and one-half (12.5) hour shifts with four (4) consecutive days off in each seven (7) day work cycle of a twenty-eight (28) day work period, except that the employee must work one additional twelve and one-half (12.5) hour shift during the work period.

Employees assigned to the Patrol Division are subject to this work schedule.

B. The continuation of modified work schedules is subject to the operational needs of the department. If Management determines that schedule changes are necessary, the meet and confer process may be reopened on the proposed changes only.

C. Any employee's work schedule may be temporarily changed to accommodate training assignments which are eight (8) or more hours in duration.

D. All employees of the department, regardless of assigned work schedule, are subject to be called to work at any time to meet any and all operational needs, emergencies or unusual conditions which, in the opinion of the Chief of Police or his/her designee in charge of the department at the time, may require such service from any of said officers and employees.

ARTICLE V - OVERTIME COMPENSATION

Section 1. Paid Time Off

For purposes of computing overtime, paid time off, excluding sick leave, shall be considered as time worked.

Section 2. FLSA 7(k) Exemption

For sworn law enforcement employees, Section 7(k) of the FLSA allows flexibility of the seven (7) day/forty (40) hour work week to be extended to a maximum of one hundred and seventy-one (171) hours in a twenty-eight (28) day work period. The 7(k) FLSA work period is 28 days. As per designated modified work schedules, overtime may be defined as approved by management.

Section 3. Compensation for Overtime

Authorized overtime shall be compensated in pay or compensatory time off (CTO) at the rate of one-and-one-half (1-1/2) times the regular rate of pay.

Section 4. Compensatory Time Off

A. Employees may elect to receive compensatory time off in lieu of pay for overtime subject to paragraphs "B" and "C" below.

B. Employees shall be permitted to accumulate hours of compensatory time off provided that all unused accumulated compensatory time off hours in excess of eighty (80) hours shall be paid in December of each year. Employees shall be permitted to carry over to the following payroll year a maximum of eighty (80) hours from the previous year's accumulation of compensatory time off, or at the option of the employee, be paid for said eighty (80) hours in December of each year. Employees requesting to carry over hours must notify Human Resources by December 15 within the calendar year prior to the processing of the subsequent December's special payroll. For example, an employee must submit a carryover request by December 15, 2022 for the December 2023 special payroll. An employee may request payment of compensatory time off hours at any time provided the request is submitted in writing to Payroll. Should an employee desire to take leave hours as compensatory time off, he shall file a written request with the Chief of Police who shall grant time off unless it unduly disrupts the normal operation staffing of the department.

C. Upon receiving a promotional increase in pay, an adjustment shall be made to an employee's bank of accumulated compensatory time off (CTO) hours in order to maintain the value of the hours earned prior to the promotional pay increase.

Section 5. Overtime Reporting

In order for an employee to earn compensation for overtime, advance approval to work overtime hours must be authorized by the Chief of Police or the immediate supervisor. Overtime worked to meet an emergency situation does not require advance approval, but shall be certified by the Chief of

Police or immediate supervisor before being credited to the employee's record.

Section 6. Authorization

It is the policy of the City to avoid the necessity for overtime work. However, when overtime work is necessary and consistent with the efficient operation of the City, such overtime shall be authorized by the Chief of Police or immediate supervisor, but shall be kept at a minimum.

ARTICLE VI - SPECIAL PAY PROVISIONS

Section 1. Court Time

An employee called back for a subpoenaed court appearance which arises out of the course of his employment and which is not within two (2) hours of the commencement or termination of his regular shift shall be compensated for a minimum of two (2) hours on all such subpoenaed court appearances at the rate of one-and-one-half (1-1/2) times the employee's regular rate of pay. Court appearance time shall begin when the employee departs from the department building to go directly to Court. All employees agree to comply with the "on-call" policies administered by the department. Should an officer who is subpoenaed to Court in the course of his employment be required to be in Court on off-duty hours in excess of the minimum of two (2) hours, he shall receive pay at one-and-one-half (1-1/2) times his regular rate of pay for the actual hours the employee is in Court. The lunch period as designated by the Court shall not be included in the computation of hours worked as overtime hours and shall be deducted from hours worked as Court time. If a cancellation notice from the District Attorney's Office is received by the Police Department after 1800 hours the business day prior, the employee is still eligible to be compensated two (2) hours of on-call overtime pay for the following morning.

Section 2. Call-Back

Employees who are called back to duty after having completed a normal shift or work day assignment and departing from the work premises shall be paid a minimum of two (2) hours of overtime at one-and-one-half (1-1/2) times the employee's regular rate of pay, except where the call-back is due to the employee's failure to reasonably complete his duties prior to the end of work (i.e. failing to have reports approved, leaving with keys to a unit, etc.). Any hours worked in excess of two (2) hours shall be treated as regular overtime hours. Call-back time shall commence from the time the employee reports to Police Headquarters or the scene of the incident.

Section 3. Stand-By Pay

Employees in the Detective Bureau who are assigned by the Chief of Police to "stand-by" status shall be paid \$1.00 per hour for each hour of stand-by.

Section 4. Training Programs

A. When an employee is sent by the City to a training program, the employee shall receive eight (8) hours pay for each full day of training and such eight (8) hours pay shall be credited towards the computation of overtime.

B. The City shall pay reasonable expenses incurred by employees attending approved training programs. Covered expenses include registration fees and the costs of purchasing required course materials, travel to and from the training course, meals and lodging. Reimbursement for lodging expenses shall only apply to training courses which require overnight stay. If the program is not

P.O.S.T approved, the employee must provide receipts verifying expenses for which reimbursement is being requested.

C. Employees attending City approved P.O.S.T training programs requiring overnight stay will receive a per diem rate as approved by the Chief of Police in accordance with P.O.S.T. guidelines and submitted to the Finance Department. Receipt of the per diem rate is contingent upon the employee's submittal of such receipts as may be required by P.O.S.T.; presently, receipts for lodging expenses are required. If the employee incurs expenses in excess of the per diem rate, a request for reimbursement, including receipts for all incurred expenses, may be submitted to the City.

C. If the combined Educational Incentive (referenced in Section 5 above) and POST Certificate pay effective January 6, 2023 is less than the amount an employee received prior to that date, the employee will maintain the higher amount. The excess pay is not pensionable. These pay amounts will remain in place until the employee obtains a higher degree and/or POST Certificate and the new combined pay exceeds the amount in effect prior to January 6, 2023. The following are the affected employees:

Section 7. Uniform Allowance and Safety Equipment

A. Employees shall receive a \$500 biannual uniform allowance.

B. Effective January 6, 2023, employees serving on the SWAT team will receive an additional uniform allowance of \$240 biannually. The allowance will be prorated when an employee begins or ends their SWAT assignment and will be suspended if an employee is unable to perform SWAT duties for more than 30 consecutive days due to any reason.

C. All uniforms and non-safety equipment shall be purchased by the employee with the uniform allowance.

D. Proration of uniform allowance will begin after the employee has been out on 4850 leave for a period of 90 days. Individuals out on other forms of unpaid leave will have their uniform allowance prorated immediately. It is understood by the parties that the uniform allowance is intended to reimburse officers for the actual expenses incurred in connection with maintaining and replacing their uniform due to wear and tear. It is further understood that an officer on leave is not required to wear his uniform, will not incur any expenses associated with maintaining and replacing uniforms, and therefore should not receive the uniform allowance.

E. The City shall provide or reimburse the cost of required uniform items incident to duty to an employee assigned as a motor officer. Such items include, but are not limited to: jacket, two pairs of trousers, boots, eye protection, and gloves. The City shall provide or reimburse the cost of one replacement pair of boots to an employee assigned as a motor officer during the length of the assignment. In the event that boots are significantly damaged due to an on-duty accident, the City shall provide or reimburse the cost of one replacement pair of boots if the initial pair of boots has already been replaced.

F. The City shall continue to provide bullet-proof vests, safety helmets, Oleoresin Capsicum (OC), and such other safety equipment as required by law or that the Chief of Police deems necessary.

Section 8. Temporary Assignment Pay

Field Training Officer - Each police officer performing duties of a Field Training Officer shall receive an additional five percent (5%) compensation over base salary. Field Training Officers and their trainees may be assigned to a "4/10" Work Schedule as determined by the Chief of Police, subject to the meet and confer provision of Article IV, Section 1(A) above; provided, however, the parties acknowledge and agree that such assignment shall be made only for operational needs of the Police Department and based on exceptional circumstances.

Section 9. Special Services Overtime

An officer assigned as a motor officer works an average of six (6) hours per 28-day work period in caring for special equipment required in said assignment. An officer assigned as a canine handler works an average of eight (8) hours per 28-day work period for off-duty care, feeding and maintenance of the canine as required in said assignment. This time shall be paid in accordance with provisions governing the computation and payment of overtime.

Representatives of the City and the Association have determined and agreed by means of the meet and confer process, that six (6) hours per 28-day cycle are reasonably necessary to provide for the off-duty care and maintenance of the assigned motorcycle and eight (8) hours per 28-day work period are reasonably necessary for the off-duty care, feeding and maintenance of the canine and that these additional "hours worked" are intended to compensate unit members assigned to motorcycle and canine duty for all off-duty hours spent caring for, feeding and maintaining their assigned motorcycle/canine in compliance with the FLSA and interpretive cases and rulings.

The FLSA, which governs the entitlement to compensation for motorcycle/canine care and maintenance, entitle the parties to agree to a reasonable number of hours per month for the performance of off duty care and maintenance duties. The hours derived at this and in prior agreements were determined after an actual inquiry of the officers assigned to motor and canine duty, as addressed by *Leever v. City of Carson City*, 360 F. 3d 1014 (9th Cir, 2004). It is the intent of the parties through the provisions of this section to fully comply with the requirements of the FLSA. In

addition, the City believes that this section of the MOU does comply with the requirements of the FLSA.

Upon the submittal of appropriate proof of purchase, employees shall be reimbursed for the cost of materials and supplies used in maintaining the special equipment.

Section 10. Bilingual Pay

A. Subject to the conditions of this Section, employees who, in the course of their regular job duties, may be required to speak and understand another approved language besides English or translate such language to English on a regular basis, will be compensated \$100 per month.

B. An employee may apply for bilingual pay at any time and will be responsible for initiating a written request to Human Resources. All requests shall be subject to the Police Chief's approval and only those classifications and assignments that are determined to reasonably utilize bilingual skills on a regular basis, shall be considered.

C. Human Resources shall administer competency testing to certify the employee as eligible for bilingual pay based on the employee's basic bilingual skills proficiency. Such certification shall be a condition to qualify for bilingual pay.

D. An employee who becomes certified to receive bilingual pay shall be compensated with said pay effective the beginning of the first pay period immediately following certification. Human Resources shall be responsible for processing appropriate forms for additional pay.

E. In the event an employee is not successful in passing such competency testing to qualify for bilingual pay, said employee may re-apply for eligibility at least three (3) months after the testing.

F. If it is determined that the employee is no longer utilizing bilingual skills on a regular basis due to disability (more than one month), extended leave of absence, or other similar circumstance prohibiting utilization of such bilingual skills, bilingual pay will cease at the beginning of the payroll period immediately following said date. Such determinations shall be made by the Personnel Officer.

G. Retroactivity: The only retroactive payment of bilingual pay shall be no earlier than the beginning of the pay period at least ten (10) working days after submittal of the employee's initial written request for said pay.

H. Any consideration for adding and/or eliminating language(s) to this provision shall be made by the Chief of Police. Such considerations shall be made based on department needs and neighboring cities' ethnic population.

Section 11. Special Assignment Pay

A. For the period July 1, 2022 to January 5, 2023, employees assigned to the detective bureau, special enforcement unit, or personnel and training unit, shall be paid, per 28-day cycle, three (3) hours of overtime at one-and-one-half (1-1/2) times the employee's regular rate of pay. Special assignment pay shall be paid only for the length of time the employee serves in these assignments.

All employees must enroll in an available City health program unless they opt out. An employee may receive cash in lieu in the amount of \$400 per month for opting out of the City’s health insurance program if he/she provides proof that the employee and all individuals for whom the employee intends to claim a personal exemption deduction for the taxable year or years that begin or end in or with the City’s plan year to which the opt out applies (“tax family”), have or will have minimum essential coverage through another source (other than coverage in the individual market, whether or not obtained through Covered California) for the plan year to which the opt out arrangement applies (“opt out period”), by signing an attestation to that effect. An employee must provide the attestation every plan year at open enrollment or within 30 days after the start of the plan year. The opt-out payment cannot be made and the City will not in fact make payment if the employer knows or has reason to know that the employee or tax family member does not have such alternative coverage, or if the conditions in this paragraph are not otherwise satisfied.

An employee cannot be enrolled in a PERS health if a spouse or registered domestic partner is enrolled in the same agency or enrolled in an agency with PERS health, unless the employee (or spouse/registered domestic partner) is enrolled without being covered as a family member.

B. Retiree Health Savings Plan (RHS)

The RHS Plan is an employer sponsored health benefit savings vehicle that allows the employee to accumulate assets to pay for medical expenses in retirement on a tax-free basis.

1. Effective July 2022 through December 2023, the City shall contribute \$75 per month for all employees hired prior to 7/1/13 who chose to participate in the RHS Plan in-lieu of receiving the Supplemental Health Care Benefit and all employees hired after 7/1/13.
2. Effective January 2024, the City contribution will increase to \$125 per month.

C. Supplemental Health Care Benefit - Eligible Retirees

1. Benefit applies to employees active on 6/30/2013, who made the election to be grandfathered in to the Supplemental Health Care Benefit. If an employee hired prior to 7/1/2013 elected to participate in the RHS plan, he/she is not eligible to participate in the Supplemental Health Care Benefit Program.

2. Eligible employees hired prior to 7/1/2013 who retire from the City, with at least ten (10) years of continuous service may be eligible for supplemental health care benefits effective on the date of retirement. The employee's retirement date must immediately follow the employment separation date for the employee to be eligible to receive the supplemental health care benefit. Employees grandfathered into the Supplemental Healthcare Benefit are listed in the chart below:

EMPLOYEE	HIRE DATE (or POA Membership Date)
Carrillo, Juan	1/30/99
Clemons, Mark	1/30/99
Diaz, Darrell	5/16/05
Healy, Brian	12/11/95
McBain, Michael	2/25/05
Patopoff, Christopher	10/9/06

Taveras, Rafael	4/28/08
Tran, Thuan	3/11/12

3. For employees who retire on July 1, 2022 through December 31, 2023, the benefit payment will be issued as follows:

<u>Years Of Continuous Service</u>	<u>City Payment</u>
10	\$100/month
15	\$150/month
20	\$300/month

For employees who retire on or after January 1, 2024, the benefit payment will be issued as follows:

<u>Years Of Continuous Service</u>	<u>City Payment</u>
15	\$200/month
20	\$350/month

4. The monthly payment amount set forth in C.3. above, can be used by the retiree to either continue his/her health care benefits as may be available through the PERS Health Plan. This monthly payment shall be sent to the eligible retiree by direct deposit.

5. If the retiree chooses to participate in a plan other than the PERS Health plan, the retiree must provide the City with verification, as determined by the Personnel Officer, that the City payment is being used to secure alternative health care benefits. Verification must be submitted to Human Resources on an annual basis. Payments will only be issued if a current verification is on file during the month covered by the payment.

6. The above City payment will terminate on the date that the retiree reaches age 65 or on the date that the retiree becomes eligible for Medicare, whichever comes first.

7. This provision does not relate to the minimum payment to PERS for employees and retirees selecting the PERS Health Plan. Therefore, if a retiree eligible for the above supplemental health care benefit selects the PERS Health Plan coverage, then the retiree would be eligible for the above City payment and the minimum payment to PERS by the City.
