PUBLIC
WORKS**

Our Cypress' Public Works team has once again demonstrated their commitment to our community. Thanks to their swift preparation, City's facilities and infrastructure continued operations during the rainy season.

A perfect example of this effort took place at Pump Station No. 1. where the Maintenance team discovered an unforeseen electrical issue in our one of pumps. An emergency repair took place and, within 48 hours, Public Works restored the unit to be fully operational for the biggest storm of the season.

**RED CROSS
BLOOD DRIVE**

**APRIL 5, 2023
10 AM — 4 PM
CYPRESS COMMUNITY CENTER**

Did you know that every two seconds, someone in the U.S. needs blood but only 3% of eligible Americans donate blood each year? That's why we partner with the American Red Cross to host blood drives in our community!

Save a life and make an appointment at redcrossblood.org.
