iRHYTHM®

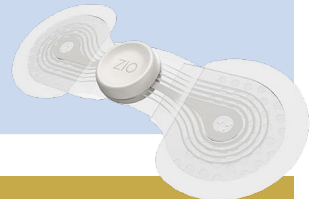

MADE IN CYPRESS

Meet iRhythm Technologies, a digital healthcare company that creates solutions to detect, predict and prevent disease. A patient-first company, iRhythm is setting the standard for how cardiac arrhythmias – irregular heart rhythms – are diagnosed and aspires to be the world leader in the management of cardiac arrhythmia information.

The most common form of cardiac arrhythmia is atrial fibrillation (also known as AFib), which affects up to six million people in the United States – a number expected to balloon to 12 million by 2030. While there are therapies that can treat arrhythmias, doctors need to first diagnose it. This is where iRhythm comes in with its Zio ECG heart monitoring devices that continuously record your heart rhythm for up to 14 days, helping doctors more accurately diagnose AFib and other arrhythmias. Over six million people have worn iRhythm's Zio ECG heart monitoring devices!

iRhythm was founded in 2008. Its Cypress location specializes in manufacturing Zio monitors, data intake, quality reviews, engineering, and distribution. We are thrilled to have such an innovative company as part of our business community here in Cypress!

SHOP LOCALLY AT THE CYPRESS FARMERS MARKET

Stop by the Cypress Certified Farmers Market every Saturday from 9 AM-2 PM to shop for fresh produce, prepared foods, and local products! Located in the Cottonwood Church Parking Lot on the corner of Katella and Lexington.

BE COYOTE CONSCIOUS

DO NOT:

LEAVE TRASH OUT OVERNIGHT

FEED ANY COYOTES

WALK PETS AT NIGHT

ALLOW PLANT OVERGROWTH

In an effort to reshape coyote behavior in our community, we encourage all residents to review the City's comprehensive Coyote Management Plan. The plan provides helpful guidance for residents to effectively respond to coyotes in their neighborhood. View the plan at cypressca.org/coyote.

Additionally, if you encounter a coyote, please report it at (714) 229-3381 or coyotereport@cypressca.org. Thank you for playing an active role in coyote management.

PLANNING UPDATE: THE SQUARE

A bustling hub of retail, dining, and hospitality is soon to emerge at The Square. With Trader Joe's in full swing, the majority of retail spaces will open their doors this year. First to open will be Yoga Six and BLK Dot Coffee. Yoga Six, is a renowned yoga studio known for its invigorating classes and serene ambiance. BLK Dot Coffee, will debut its eighth location at The Square, and offer a variety of coffee drinks and breakfast items. Board and Brew, a popular sandwich shop known for its craft beer selection, and Kebab Shop, a fast-casual Mediterranean takeout spot, will open in the Fall. Finally, El Zarape, an authentic Mexican restaurant, will open in January. With its vibrant ambiance, and a menu featuring traditional dishes, El Zarape will continue to be a favorite dining destination for locals and visitors alike.

The Square's development doesn't stop at retail and dining. In January 2024, the highly anticipated Acadia luxury apartment building will open its doors, providing residents with upscale living spaces and a host of amenities. Spring 2024 will also mark the opening of Homewood Suites by Hilton, a new hotel offering top-notch hospitality services and comfortable accommodations.

With such a diverse tenant mix, The Square is sure to be a success here in Cypress!

Mayor Mallari has been out in the community connecting with residents at various events. From sharing impressions of our City to identifying opportunities for growth, we're excited to hear what "Cypress Says". See what your neighbors have to say about Cypress and its "powerful" features!
