

# HOME ESCAPE PLAN

1. Draw a floor plan map of your home including ALL doors and windows.
2. Mark 2 ways out of every room.
3. Pick an outside meeting place in front of and a safe distance from your home.
4. Practice your escape plan at least twice a year. Teach children to escape on their own.
5. If the smoke alarm sounds, get out immediately and call 9-1-1 from outside the home.
